# Company formation order

Below is a summary of your order. Please review and make any corrections here.

In order to comply with our due diligence requirements, we are required to receive scanned copies of passports and recent utility bills (not older than 3 months) in respect of all persons listed here. These may be uploaded using the buttons next to each person's name. You may replace a file which has already been uploaded by clicking on the same button again and selecting the new file. You will not be able to finalise your order until all passports and utility bills have been uploaded. Should you wish to save a partially completed order and return to it later, you may do so at any time by clicking on "Save incomplete order" below.
